Māehe Manawa Ora - Movin March
Nikau Wheels Day
Friday 26th March

18 March 2021

Kia Ora Nikau Whānau

Our Nikau Team has planned a Wheels Day on **Friday 26th March** to celebrate the end of Movin March and to have fun on our wheels.

Students can bring in their scooters, roller skates, skateboards or roller blades (no bikes). For safety, students **MUST** wear a helmet and knee and elbow pads are recommended.

We will be outside on our wheels in session 2. We will set up different spaces around the school and run a few games activities within these spaces. There will be some spare 'wheels' for those who don't have their own.

Please park scooters at the front of Nikau (in front of Rooms 2 and 3) and other wheels can be brought into the classroom for safe keeping.
