

Adventure School

25 November 2021

Kia ora whanau,

It has been lovely for our Year 0/1 teachers to greet New Entrant children as they entered the school gates these past few weeks. All New Entrant children have successfully settled into school and have had several weeks of practising the routine of entering the school grounds and walking to their classroom independently.

We are going to start the transition process of not having a teacher at the gate, so from Monday the 29th November, a teacher will only be at the gate from 8.30 - 8.45am. During drop offs we ask that parents open and close the gate for their child after their child has entered school.

Thanks for working with us on this and your ongoing support during these uncertain times.

Kind regards,

Rebecca St. Clair
Year 0/1 Team Leader
