

Adventure School

JUNIOR ATHLETICS DAY POSTPONED

15th March 2022

Kia ora Kōwhai and Nīkau Whānau

As you are aware we have lots of families in our school isolating due to positive Covid cases and this means we have lots of students away. At this stage we won't have enough senior students to help run the events and we would have lots of junior students miss out on what is a really fun day.

It is because of these low numbers and the restrictions under the Red Traffic Light system that we have decided to postpone our Athletics Day until the end of Term 4. We will advise you on this date when we have it. We are also hoping by moving the date we will be able to run the event at Adventure Park and all our families can come and watch and enjoy the day with us.
