

Totara Science Roadshow Tuesday 30 August 2022

15 August 2022

Dear Parents and Caregivers,

The Totara Syndicate have been working on integrating STEM subjects into our Inquiry units. We are planning a trip to the Science Roadshow in Week 6 this term. This is a great opportunity for our syndicate to experiment and handle Simple Machines which our STEM inquiry is based around. We won't be sharing the facilities with other schools or members of the public.

The trip is local but does require us to travel by bus. There is also an entry fee for the Roadshow. The cost of attending this Science Roadshow is \$15 per student and we would appreciate a donation from families to cover this cost.

Please note details of the trip below:

Science Roadshow

Where:	Brandon Intermediate School
When:	9.20 am, Tuesday 30th of August
Cost:	\$15 per student

Please also find attached a permission slip and request for donation. We do not require parent help for this particular trip as we have all four Totara teachers attending.
