Kia ora whānau

COVID UPDATE

We are having a slight surge of CoVid cases in the school at the moment.

With the holidays fast approaching and a number of families and staff travelling away, we are working to keep everyone as well as possible.

We encourage you to RAT test your child(ren), particularly in Rimu Sydiicate, if they are unwell or have been in close contact with someone who has contracted CoVid.

For free RAT kits: [Request a RAT– Ministry of Health](#)

Or

If you are having difficulty getting a RAT test kit, please contact the school office.

REMINDER

Household contacts of a person with COVID-19

- do not need to isolate
- will need to take a RAT test each day for five days
- can attend school if their RAT test is negative and they do not have COVID-19 symptoms

*School is the best place for them to be **if they are well** so they can be engaged in their learning, and connected with their teachers, classmates and friends.*

Many thanks for your ongoing support.

Ngā mihi nui

Tania Cox
(Acting Principal)
