

## Adventure School

Thursday 29th September 2022

Dear Year 2 Whanau,

We have had a fabulous and very busy Term 3 with our Science focus on "Growing", having 8 swimming lessons at Ally Todd Swim School, learning and practising 7 folk dances and so much more. Thank you for all your support throughout the term. We really appreciate all you do for us.

As part of our PE/Sport programme next term, we are going to focus on "Skipping" for the first four weeks, followed by a recap of Athletics skills, ahead of a Year 2-4 Athletics Day at Adventure Park.

We will continue our Science unit of "Growing" and explore the life cycles of butterflies and frogs. Each class may take a different approach to what they focus on with this theme.

Many thanks to those of you who have contributed the \$40 Kowhai shared stationery donation. If you have not yet donated, we would love you to do so asap as this goes towards each classroom's supply of items like

cellotape, glue sticks, felt pens, pens, pencils, coloured pencils etc that the children use on a daily basis. Without this, we are very limited in what we can purchase and provide. With Term 4 events, it is particularly important to have these available for student use. Likewise, a huge thanks to those who have paid the swimming donation. If you have not yet paid you will receive a Request for Payment via email.

Kind regards,

*Vanessa Burn, Alesha Wilson, Cathy Murray, Karen Freeman, Carly St-Laurent and Vanessa Clark*  
Year 2 Team
