

Adventure School

27 September 2022

Kia Ora Year 0/1 Whānau,

We are excited to announce that we have started making plans for our Education Outside The Classroom (EOTC) for Term 4. For the past two years, these really have been put on hold and pushed to the side a bit due to Covid, so we are very keen to get back into our annual Year 0/1 events once again for 2022.

Please see below for some information about what we have planned.

EOTC 2022 Events:

- Carol Singing
- Christmas Tree Trimming
- Skating and Maidstone Max playground - bus trip to and from venue
- Kindy Concert

We will be providing more information early next term. Some of these events will require parent support, but at this point we are seeking confirmation that whanau are willing to make a donation so that we can cover the costs.

The school receives KiwiSport funding of \$13 per child, and this mostly covers the cost of our trip. The remaining total works out to be \$5 per child. In order for this trip to go ahead, we must ensure that whanau are willing to donate this money.

Please return the slip below, or email your classroom teacher to confirm that you are happy to donate \$5 to cover the cost of your child to participate in our EOTC events this year. Please do not send money at this point. We will request the donation early next term if we have sufficient support from Year 0/1 whanau.

Many thanks,

Di, Nadine, Tania and Rebecca  
*The Year 0/1 Team*
