

Adventure School

Athletics Day Year 5-8

19 October 2022

Kia ora Parents and Caregivers,

We are excited to announce our upcoming Athletics Day on **Monday 31 October**. Totara and Rimu Syndicates will compete in a full day's programme at Adventure Park following the format used by the Parumoana School's cluster, whose inter-school event will be held at the same venue in November.

On the day we require a significant number of adults to help teachers run the Year 5-8 events. If you are able to help for the day, please indicate on the reply slip below and return this to the school office or email jkelleher@adventure.school.nz as soon as possible. This event is run like a heptathlon with students competing in every event. We really appreciate your support and past athletics events have been a lot of fun. You don't need to be an athlete yourself to assist.

Could you please make sure that your child is wearing suitable clothing for athletics (preferably in their "house" colours) and provide them with a drink, lunch, hat and sunscreen. Inhalers and other medication held at school will be taken to the park.

In the event of postponement, a notice will be placed on the school website.

Kind regards,

Tania Cox
John Kelleher

Athletics Day Year 5-8
