

ROOM 19 - NIKAU 2023

Kia ora Room 19 Whanau and Caregivers,

My name is Richard McQueen and I am the lucky teacher in Room 19 for 2023. This is my sixth year teaching in Nikau Syndicate and I enjoy working with our students and teaching team very much. Outside of school one of my favourite pastimes is kayaking, I follow and enjoy watching a variety of sports, rugby and cricket would be obvious favourites. When I can, I ride my BMW motorbike on day trips exploring the countryside.

The first term of every year is focused around settling in, getting to know each other, and setting up routines. In Room 19 the first three blocks of the day are largely literacy and numeracy learning based, while the fourth block at the end of the day is left for curriculum areas such as P.E, Inquiry learning and the Arts.

The best way to contact me is through my school email address:

rmqueen@adventure.school.nz

I'll always do my best to reply in a timely manner.

King regards

Richard McQueen
