

Meet the R2 Teachers

Mrs Bennett

Welcome back to the start of a busy and exciting new year! I hope you all enjoyed some relaxing and fun times with family and friends over the summer break. My name is Toni-Marie Bennett and I am very lucky to be the Kaiako in Ruma Rua this year. I have been teaching at Adventure School for ten years with this being my fourth in the Nikau Syndicate. I am married to Dion who is a Senior Police Officer and we have three children; our son Ryan (20) is in his third year at Massey University, Ella (14) is in Year 11 at Kāpiti College and my pēpe Sascha (13) has just started at Kāpiti College this year. I have been teaching for more than a few years, across all levels and even spent time teaching in the UK.

I have 2 cats; Neo and Ardie and a dog called Mac. Mac just turned 16!

I am looking forward to working with you all this year.

Should you have any questions or concerns, please feel free to contact me to arrange a suitable meeting time.
