

# Welcome to Room 4

with Miss Wilson

## ABOUT ME...

Kia ora and welcome to Room 4! My name is Alesha Wilson and this is my sixth year teaching at Adventure School. I have taught in Kowhai, and this is my first in Nikau. Before Adventure I taught at a small country school in Central King Country.

I live in Te Marua with my two fur babies Maizee (dog), Gizmo (cat) and a small brood of chickens and ducks. I enjoy gardening, reading and Maizee and I also enjoy going out and exploring together.

I look forward to getting know you all better over the course of the year.

## ABOUT THE CLASS...

The first few weeks are all about settling in and getting to know each other and learning classroom routines and expectations. The first three spells will be focused towards literacy and numeracy, with remaining curriculum areas such as Art, Inquiry and P.E. being covered in the afternoons. On Fridays we have Discovery Time with all of Nikau as well as our weekly library session.
