WELCOME BACK!

Tēnā koutou katoa,

A huge welcome back to all our whānau and students in Rimu Syndicate! It has been so great to see all our students back looking rested, refreshed and ready for a new school term.

Our Rimu team will sadly be losing Anna Robinson at the end of week 4 as she has won a full time position over at Silverstream School. It will be incredibly hard to see her move on after 7 years with Adventure School. However, living so close to Silverstream School and having her own son there, we understand the pull!

Carla Nickson, a teacher very familiar to all our students, will be joining our team from week 5. Teaching in Room 20 on Thursday and Friday when Erica is on DP release. Welcome to the team Carla.

Mātātoa – Adventurer

...to be fearless, unconcerned, unafraid, courageous, daring, intrepid, plucky, undaunted, valiant, energetic and active.

Following on from being Kaitiaki our Team are spreading their wings and spending this Term travelling! We will be travelling back in time to WW1, visiting the Vikings and travelling to Rome and Antarctica. We are really excited to see where our students take this and to be able to share their learning with you!

If you have any resources or experiences to share around our Adventurer theme please do not hesitate to contact your child's teacher.

We are all really excited about the Term ahead and look forward to sharing this with you.

REMINDERS:

- Toys are not to be brought to school.
- Clothing needs to be named.
- All students need to have a named drink bottle.
- With winter arriving soon, please don't forget to send a box of tissues in if you haven't already done so.
- We are a nut free school as we do have children with serious allergies, therefore no nuts or nut products are to be brought to school.
- We do have some Chromebooks for the children to use at school, however, it would be much appreciated if your child has their own that they bring it to school as it allows us to use them more efficiently...(charged of course)

BUILDING TEAM CULTURE!

In Rimu we are learning about appreciation. Within this students are learning about the importance of kindness, responsibility, showing resilience and using our manners. Examples of this are celebrated throughout the school day and within our Team Huis.
