

## Adventure School

17 August 2023

Kia ora e te whanau,

As mentioned earlier this term, we are excited to be taking Rimu students on a fun filled Science morning out to the Science Roadshow on Tuesday 5th September (Week 8, Term 3). This year's Roadshow will be held at Whitby Collegiate (2 Starboard Lane, Whitby). Rooms 18 & 21 will be attending the 9.20am session and Rooms 16, 17 & 20 will attend the session at 10.40am.

This year's exhibits are based on;

- Rocks and minerals - *Ngā toka me ngā kohuke*
- Helping the senses - *Te āwhina i ngā tairongo*
- Light properties - *Ngā āhuatanga aho*
- Movement - *Te nekeneke*
- Observation and inference - *Te mātakitaki me te hīkaro*
- Pressure - *Te pēhanga*

The live shows we will watch will be;

**Mighty Materials** — Physical and chemical properties of substances, such as metals and fabrics, and how these are put to use in everyday applications.

**Sounding Out Waves** — The characteristics of sound such as pitch, volume, how fast it travels, what substances it travels through, how it travels and the many effects these have on things we can or cannot hear.

We are excited to be able to provide this opportunity for your child(ren). The admission fee to attend the Roadshow will be \$10.00 per student and we would appreciate your donation to cover this.

We do have capacity for up to 4 adults to attend the roadshow on the day at no charge. These places will be allocated on a first come, first served basis. If you would like to attend, please notify Erica Leggett by email at [eleggett@adventure.school.nz](mailto:eleggett@adventure.school.nz) and she will advise if a place is available and give you further details about the trip.

*Please ensure permission and donation slips are returned by Friday 25 August.*

Thank you for your support.

Ngā mihi nui,
