

Adventure School

Fixed Term Teacher Aide Position 2024

Key Tasks

- Support the classroom teachers of students with diverse needs by directly working with the children and / or freeing up the teacher to do so
- Support children with complex needs during break times
- Work with a small group of students who have a common learning goal
- Follow guidelines and be consistent in implementing approaches designed to set each of our students up for success
- Carry out tasks that ensure systems and resources are in place to maximise learning opportunities for children receiving additional support
- As required, carry out personal cares

The Opportunity

The successful applicant will:

- join a cohesive and highly supportive staff
- be supported by the SENCO and ORS specialist teachers to understand the students and their needs
- have professional development opportunities related to the roles they will have
