ATHLETICS DAY

Year 2 - 4, Friday 29 November 2024

(Postponement days Tuesday 3 December and Wednesday 4 December)

18 November 2024

Kia ora Whānau

We are excited to announce our upcoming Athletics Day on Friday, 29 November. Students in Year 2 to Year 4 will participate in a full day of activities at Adventure Park, following a traditional Athletics Day format. They will rotate through six different running, throwing, and jumping events.

The first event is expected to begin just before 10:00 a.m., with the final event scheduled to start at 1:10 p.m. However, exact timing may vary depending on the length of each event. Students will carry their bags with them and are encouraged to eat whenever they feel hungry. Teachers at each station will remind students to eat and drink regularly to stay energised throughout the day.

We are fortunate to have our senior students assisting with the event, but we also need additional adult volunteers to help with running of each event. If you are available to help, please email me at: tbennett@adventure.school.nz

Students are encouraged to dress in their house colours— the more colourful, the better! Please ensure your child wears suitable clothing and footwear for athletics. Additionally, make sure they bring a water bottle, lunch, sunhat, and sunscreen.

Although we do award placings, house points, and certificates, this day is all about having fun and giving things a go!

For our new families our house colours are:

Mainsail - red

Longitude - blue

Latitude - green

Crowsnest - yellow

We will advise you on Hero if we need to postpone.

We look forward to seeing everyone down at Adventure Park.
