OPEN MORNING IN A NEW ENTRANT CLASS

We invite any families interested in seeing a New Entrant classroom at Adventure School in action. The session will begin with a 45-minute observation of teaching and learning, followed by a group conversation and Question and Answer session with our Junior School Deputy Principal, Diane Pepperell.

Get in quick as numbers are limited. Only two sessions each term. Priority will be given to those whose children are turning 5 in 2025.

Please RSVP to our school office office@adventure.school.nz advising which session you would like to attend.
